

IBTIKAR

English Training

University of Salento

Developed by and with the collaboration of

Prof.
Francesca Bianchi

Serena Ghiselli
PhD

Caterina De Donno
MA

Aims

- To support and further develop IBTIKAR participants' knowledge of the English language

General characteristics

- **Not** a course of general English
- Focus on selected topics and texts types linked to the IBTIKAR project
- Consideration for different target populations (academic vs administrative staff)
- Consideration for different starting levels (intermediate vs. advanced)

How

Online, through Unimed's Moodle platform

What

1. Assessment test (to assess level of competence at start point)

1. Training

1. Sections for autonomous learning
2. Sections for guided learning
3. Forum

To understand each participant's level of competence in English, so as to better target the activities in the course.

- 4 parts, testing:
 - vocabulary (test 1; about 40-60 minutes)
 - grammar and writing (test 2; about 40-60 minutes)
 - listening (tests 3 and 4; 15-20 minutes overall)

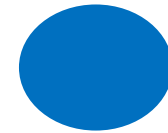

TO BE TAKEN BY DECEMBER 8TH BY ALL PARTICIPANTS

Assessment test results

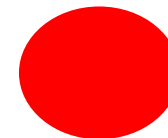

At the end of the test, each participant will receive individual feedback on the results of the test.

On the basis of the test results each participant will be suggested to follow intermediate or advanced activities of the English course.

Intermediate activities are marked with a blue dot.

Advanced activities are marked with a red dot.
